SUBMISSION

Applications are now accepted online.

Note: It's important to ensure that both the Co-Applicant (community) and Co-Applicant (artist) are in good standing with the Saskatchewan Arts Board prior to submitting an *Artists in Communities – Projects* or *Artists in Communities – Residencies* application. Applications will not be accepted if either co-applicant partner has overdue final reports on any other projects funded by the Arts Board. For Artists in Schools/Communities only, the Arts Board will commit to checking the status of each co-applicant if **BOTH** co-applicant partners have a registered account and are connected to the grant application two weeks prior to the application closing date (April 15th or October 15th). For applications begun after those dates, the Arts Board cannot ensure that we will review this material before the submission closing date.

PROGRAM INFORMATION

Artists in Communities provides opportunities that enable community-based organizations to offer arts-related activities that are linked to local communities through partnerships with professional artists/arts professionals. Projects are unique and designed through collaborative planning. Through immersive experiences and active engagement, participants gain new appreciation for artistic practices.

PROGRAM PURPOSE

Through an established partnership, *Artists in Communities – Projects* provide opportunities that enable community-based organizations and artists to offer arts-related activities that are linked to local (community) objectives. Collaborative partnerships are encouraged to design a unique experience, not a pre-packaged activity.

Grant funds allow eligible applicants to engage in the arts through performances, exhibitions, or workshops led by a professional artist(s) or arts professional and presented either as a series or as a single event and/or to work with an artist in the research and development of an artistic residency.

PARTNERSHIP ROLES AND RESPONSIBILITIES

Most successful projects come out of genuine partnerships between the community organization and the professional artist. It is the responsibility of both partners through collaborative project development to plan and execute the project while respecting each other's roles. Additional community partners can contribute specialized knowledge, skills, or resources, and/or by raising the profile for long-term impact.

Co-Applicant (Community Organization) will have a shared responsibility for planning, development, execution, and evaluation of the project. Planning will involve identifying key questions, issues, or ideas that are relevant to the targeted community. The community organization will be identified in the application as either the Primary or Secondary Contact, will take part in creating the application and, if successful, will complete the final report with Co-Applicant artist. If the community organization is identified as the Primary Contact, the organization will assume the responsibility for registering an account and/or opening the *Artists in Communities* application through our on-line portal, inviting the Artist applicant to contribute to the grant application and management of the grant funds.

Co-Applicant (Artist) must meet the Arts Board's definition of professional artist¹. The artist serves as a collaborator and mentor for the project. This applicant will have shared responsibility for planning, development, execution and evaluation of the project. The artist will support those involved in the project in their development of knowledge and skills in the arts. The artist will take part in creating the application and submitting all required reports and, if identified as the primary contact person, will assume the responsibility for registering an account and/or opening the *Artists in Communities* application through our online portal, inviting the Community applicant to contribute to the grant application, and management of the grant funds.

Community Partners (Potential) are genuine partnerships appropriate to the activity and size of the community. The role of the Potential Community Partner(s) is defined by the Co-Applicants; Community Partners are not required to take part in drafting the application.

Elder or Knowledge Keeper Partners: It is necessary to include an Elder or Knowledge Keeper Partner for any application that involves any traditional Indigenous worldviews or art forms.

Curatorial Organizations are organizations that act on behalf of communities and artists to present projects. These applicants must explain their mandates and how they connect with the community and artists with whom they propose working. If the Curatorial Organization is identified as one of the Co-Applicants (Artist or Community Organization), it is expected they will assume the responsibilities as described by either Co-Applicant (Community Organization) or Co-Applicant (Artist) and will work collaboratively with the community and/or artist in the design and execution of the residency project.

¹ A professional artist is defined as an individual who has completed training in a recognized art form (either through formal study or through a process of mentoring/apprenticeship), has produced a body of work in their artistic discipline that has received critical recognition, and who is recognized as professional by their peers within their arts community.

ELIGIBILITY

- The Co-Applicant (artist) may make more than one application at any submission closing date, up to the maximum allowable funding level as through residencies (\$45,000). The jury will, however, consider the individual's ability to undertake multiple projects when assessing the applications.

What kinds of projects are eligible?

- Projects that foster respectful, professional partnerships between artists and communities.
- The project must reflect an appreciation for high-quality arts programming and be developed in response to the community's needs.
- Projects designed to connect with and engage participants in meaningful ways and have a lasting impact.
- Projects designed to engage with community and develop inquisitiveness by demonstrating a positive commitment to the exploration question. The exploration question will encourage community participants to make connections, construct meaning, and reflect critically on their own work.
- Projects that explore new approaches for presenting, and/or methods of expanding access within existing programs.

What is the maximum amount of funding available for a project?

- The maximum funding available is \$10,000.
- The process for adjudicating applications is competitive, and funds are limited. An application may not be funded, or may not be funded for the full amount requested.
- The Arts Board reserves the right to rescind any grant funds from applicants who do not meet the conditions for the release of funds, make significant changes to their project without approval, and/or do not begin their project within approved timelines.

What is ineligible?

- Organizations that receive annual or multi-year funding from the Saskatchewan Arts Board, SaskCulture Inc., the Saskatchewan Lotteries Trust Fund for Sport, Culture and Recreation, Creative Saskatchewan and/or creative industries associations supported by Creative Saskatchewan, unless the proposed projects explore **new** approaches for presenting, and/or methods of expanding access within existing programs.

- K-12 Schools, school divisions, clusters of schools in a school division, and Band schools are only eligible to apply to the *Artist in Communities – Projects* stream for activities that used to be funded under the *Arts After Hours* program stream. If projects link to cross-curricular and cross-cultural educational outcomes, these applicants should explore *Artists in Schools* program.
- Applications that do not include all the required information and support material, including balanced budgets, could be deemed ineligible.
- Projects that do not compensate artists for their work. (*See Budget: Artist Fees*)
- Applications submitted by mail, email or fax.
- Projects that are not primarily artistic.
- Projects that promote hatred or intolerance.
- Fundraising activities, awards, sponsorships or re-granting activities.
- Activities that contravene provincial or federal law.
- Activities that use or present Indigenous cultural material, traditional knowledge or stories without permission from the community and involvement of either an Elder or Knowledge Keeper.
- Projects that start prior to the application closing date.
- Grants intended for capital purchases (e.g., basic equipment, kilns, computers, musical instruments, etc.). In most cases, renting equipment during the project term is preferred. If the cost of renting is higher than the purchase price, provide an explanation and rationale for purchase.

- A **Project Documentation Guide** provides suggestions for how the project can be documented as it progresses. See the *Artists in Communities* page of our website (link above), under FORMS AND INFORMATION, Project Tools.

Planning an *Artists in Communities* Project

- It is recommended **both** Co-Applicant partners be registered in the online application portal and start their application at least one month before the closing date.
- Preparation time will include coordinating the project with established partnerships, gathering support material, working out budget information, and submitting the application online. **Applicants will not be able to submit their applications after the closing date.**
- The ideas, objectives, roles, and responsibilities of all identified partners must be reflected in the application with evidence of clear communication, collaborative planning, and project development.
- The established partnerships need to be appropriate, intact, and have a mutually beneficial relationship for the quality and depth of the project and for the partners to achieve their outcomes.
- It is important that the Co-Applicants understand the needs and size of the community where the project will take place; together they will establish an exploration question that best reflects what the community would like to explore and develop activities accordingly.
- The partnership negotiates a contract that best suits the Community Organization, the artist(s) and the participants.
- For projects that explore Indigenous art forms, skills, languages, knowledge, teachings, and/or worldviews, traditional Knowledge Keepers or Elders must be confirmed.
- The applicants need to consider the impact of their project and how it will be measured or evaluated.

Exploration

- The purpose of the exploration question is to develop and engage the community's inquisitiveness by asking participants to make connections, reflect critically, and construct meaning through creative processes. What is learned can be invaluable for future planning of arts activities and new processes of discovery.
- The exploration question is relevant to community needs (i.e. issues, concerns, interests, themes, etc.):
 - It directs the partnerships as they work towards a shared goal while valuing the perspectives and contributions of others.
 - It expresses what participants will think about and investigate throughout the project.
 - It encourages meaningful engagement by participants and guides the project from its on-set, and it may be changed and refined as the project evolves.

Evaluation

- Together, the Co-Applicants are expected to evaluate and submit a final report after the project is completed.
- The applicants will consider the criteria to measure the success of their project and evaluate the impact based on measurable outcomes.
- Applicants should factor into their evaluation the potential for projects to change and the exploration question to adjust according to discoveries made throughout the project.

Budget

- Applicants will submit a budget through the online application.
- The budget for your project must balance, meaning your Total Revenue must equal your Total Expenses. A balanced budget shows the need for the grant but also indicates that you can complete the project with the grant and your other available financial resources.
- List all income, sponsorships, funding and personal resources you plan to devote to the project under *Revenue*.
- In *Revenue Notes*, indicate revenue as confirmed or unconfirmed. If a contribution is unconfirmed, indicate alternate plans for acquiring these funds if they are not available from the source(s) listed in the budget.
- Cash or in-kind contributions can come from partners or businesses in the community, fundraising or other grant sources. This is not a requirement for receiving a grant. Include in-kind contributions in both revenue and expenses.
- Funding from other sources may not be assigned to the same expenses as those covered by the *Artists in Communities* grant.
- Under *Expenses*, list project costs incurred during the project term to complete the activities outlined, indicating which costs the grant is intended to cover. For each expense, you will be asked to say how much is covered by the *Artists in Communities* grant that you are requesting. The total of these amounts should be equal to your grant request. You may need to attach breakdowns of some categories if you have many individual expense items. Remember to assign the same dollar cost to items listed as in-kind donations under *Revenue*.
- In *Expense notes*, indicate which expenses will be covered by the *Artists in Communities* grant. Funding from other sources may not be assigned to the same expenses as those covered by the *Artists in Communities* grant.

- The Co-Applicant Partner organization may be required to deduct and/or remit employer and employee contributions which can include but may not be limited to Canada Pension Plan, Employment Insurance and Workers' Compensation. If the Co-Applicant Partner needs to deduct and/or remit any of these items, they should be included in the budget. For more information, see the Canada Revenue Agency's guide, "Employee or Self-Employed" at:
www.canada.ca/en/revenue-agency/services/forms-publications/publications/rc4110-employee-self-employed/employee-self-employed.html
- The Saskatchewan Arts Board is required to issue T4A forms for taxation purposes for amounts received over \$500 by individuals.
- Grant recipients will **submit** *Final Actuals* and revised *Revenue Notes* and *Expense Notes* **at the end of the project** as part of their final report, including an explanation of any variances in final actuals from the proposed budget.
- Artist Fees: The Arts Board is committed to the professional status of the artist and won't fund projects in which artists are not paid for their work. Refer to the appropriate industry organization – such as CARFAC (www.carfac.sk.ca), ACTRA (www.actrasask.com), or Canadian Federation of Musicians (www.cfmusicians.org) – for minimum fee schedules.
- Other: Enter any additional costs you will incur to complete your project, such as an Elder's fee or honoring gifts, etc.

Support Material

- Support materials help jurors assess your project against the adjudication criteria and provide them with evidence that the project will succeed. The work samples and documents submitted should be readable, relevant to your project, and as recent as possible.
- There are two types of support material:
 1. Supports the expertise of the Artist
 2. Supports the project
- List and itemize all the support material items included with the application.
- The Arts Board will accept up to three items of support material for the Co-Applicant (artist) and up to three items of support material to support the project (see list of possible items below). The maximum items of support material submitted cannot exceed six in total and must meet the limited restrictions within each item. Excess material will not be forwarded to the jurors or considered during the adjudication process. This ensures that all applicants have an equal opportunity to present their work.
- It is highly recommended both applicants include support material as part of the application. Artists must submit at least two items from the list below. Jurors consider the artist's past and present work in assessing artistic merit.

Co-Applicant (Artist) Support Material and Technical Requirements

Choose a maximum of three items from the list:

- Artist CV (*maximum 3 pages*): in Word or PDF
- Audio (*maximum 5-7 minutes*): MP3
- Video (*maximum 5 minutes running time, not to exceed a total file size of 2 GB*): AVI, MOV, MPG, MP4 files
- Still images (*maximum 10*): JPEG files
- Print (*maximum 10 pages manuscript*): double spaced, page numbered, portrait format, in Word or PDF

Project Support Material (Maximum 3 items)

- You may include other relevant material to support your project and/or that notes expertise or knowledge, such as newspaper or magazine clippings, brochures, or other types of documentation (*maximum 1-2 pages*).
- Letters of support (*maximum 1 page*)
- Projects that explore Aboriginal art forms, skills, knowledge, teachings, and/or world views must include an Elder or Knowledge Keeper in their ongoing activities. A letter of agreement from the Elder or Knowledge Keeper is required as support material to the application.

Artist Contract

The Arts Professions Act, now in effect in Saskatchewan, requires that written contracts be used in all transactions between professional artists and those who hire them, engage their services or use their creative work. These written contracts help solidify the relationship between the artist and those who contract their services by providing a clear understanding of the transaction. This provides an extra measure of protection to both parties and assists projects to move forward in a forthright manner. The Act also recognizes the artist as a professional and emphasizes the importance of fair compensation.

ADJUDICATION PROCESS

Applicants are to consider the Adjudication Criteria when developing the content of their application. The Saskatchewan Arts Board will rely on third-party review and assessment of this application as part of its due diligence. An independent panel of jurors will assess applications through a competitive process based on the following:

1. Artistic Merit

- The partners, through collaborative planning, aim to develop and present high-quality artistic programming (reflected in the statement from the Artist) that is relevant and uniquely designed to address the community's specific identified needs reflected in the statement of the community partner.
- The artist is recognized as a professional by their peers and will be assessed by their past work and current practice as identified in their support material.

2. Project Engagement

- The community as described, demonstrated by either depth or size of reach, has the potential to evolve and/or expand the way participants view arts processes and practices, thereby enriching art experiences and encouraging the community's artistic and cultural development.
- The exploration question(s) is thoughtful and responsive to the needs of the community and is appropriate for the proposed project's objectives.
- The project engages the community in a meaningful way by encouraging participants to make connections, construct meaning and reflect critically on their work.

3. Partnership Planning

- The quality and depth of the partnership(s) are appropriate, there is evidence that both partners have a common understanding of the project and are committed to its success.
- The ideas, objectives, roles and responsibilities of all identified partners are reflected in the application and there is evidence of clear communication, collaborative planning and project development.
- The timeline, work plan, and budget are appropriate for the project term.

4. Evaluation

- The exploration question and planned activities can be measured and evaluated against the community needs and objectives.
- Project documentation is well considered, and there is a plan to document the project for further reflection and future planning.

For more information about the Saskatchewan Arts Board's adjudication process and how funds are allocated, visit our website at www.saskartsboard.ca/menu/grants/assessment.html.

NOTIFICATION OF ADJUDICATION RESULTS

Applicants are typically informed of grant decisions by e-mail no later than 90 days after the application closing date.

SUCCESSFUL APPLICATIONS

If your application was successful, you will receive notification that includes the terms and conditions of funding. If the grant awarded was less than 60% of the amount requested, you must submit a revised budget, project plan and/or project dates to show how you will undertake the project with less funding than requested.

The Co-Applicant Partners both must sign and submit the Request for Grant Payment form to receive funding. A cheque for the approved grant amount will be released to the Co-Applicant Primary Contact indicated in the application no sooner than 30 days before the beginning of the project term.

The Saskatchewan Arts Board is required to issue a T4A form for grant amounts over \$500 issued to an individual applicant.

A grant recipient must begin the project no later than 12 months from the start date initially approved.

Recipients of funding are required to acknowledge the support of the Saskatchewan Arts Board, SaskCulture Inc., and the Saskatchewan Lotteries Trust Fund for Sport, Culture and Recreation, particularly on all print material and at openings, receptions, performances, events or other public functions. The Saskatchewan Arts Board will provide grant recipients with an acknowledgement statement and access to the logos through the Arts Board's website.

Recipients of funding are required to submit a final report to be completed during the grant period, including a description of activities accomplished, budget, documentation, etc. Final report must be submitted no later than 60 days after the project end date.

The Saskatchewan Arts Board may contact a recipient at any time regarding any conditions affiliated with the grant received based on the application.

Recipients of funding must communicate any major changes with the Arts Board including any modifications to the project, dates, and/or significant budget revisions. If the project is significantly changed without approval, the Arts Board reserves the right to rescind the grant.

Request receipts when you pay artist and other professional fees and keep all receipts for expenses over \$100. The Arts Board reserves the right to request receipts up to seven years after completion of the project.

Applicants are encouraged to invite people – Arts Board staff, community stakeholders, MLA's, MP's, etc. – to any presentations that result from the residency.

UNSUCCESSFUL APPLICATIONS

If your previous application was recommended for support by the jury but not ranked high enough to be funded, apply again and hope for a better outcome. The jury saw merit in your work and would have awarded your project a grant, but the funding ran out. Every closing date is unique: different partners apply, and different jurors adjudicate the applications. Before applying again, take the following steps:

- Reread and reconsider your application components and support material.
- Call the Program Consultant. Program Consultants can often provide helpful comments from the jury and suggest how you can more clearly present your project or strengthen your application.

If you received an e-mail informing your partnership that the application was considered ineligible or was not recommended for funding, the Program Consultant can explain what the problem was and whether you can apply at the upcoming closing date.

- The application may have been incomplete or failed to provide information needed by the jury to assess it against the adjudication or eligibility criteria.
- Your budget may have included ineligible expenses, or the jury may have had questions about your eligibility.

Many of these issues can be resolved. Calling to discuss your results professionally, acting on the feedback and reapplying is the best response to an unsuccessful application.

CONFIDENTIALITY OF INFORMATION

The personal and confidential information that is provided in an application is collected, used and disclosed in accordance with the provisions of *The Freedom of Information and Protection of Privacy Act* (an Act respecting a right of access to documents of the Government of Saskatchewan and a right of privacy with respect to personal information held by the Government of Saskatchewan). This information is required to process the application. Personal and confidential information disclosed in the application will only be shared, as necessary, with employees of the Saskatchewan Arts Board, SaskCulture Inc. and the adjudicators. If awarded a grant, the name of the recipient, community, project description and amount of the grant will be made known publicly. The Saskatchewan Arts Board is required to report to the public on the funds it disburses through its programs. The Saskatchewan Arts Board will respond appropriately to any inquiries regarding the privacy policies and procedures, including requests to access the applicant's personal information.
